

Identifying EF connections to standards

1. Review the document 'Standards and the EF', focusing on your standards
2. In your groups, discuss the following:
 - *What are key concepts the EF highlights for this particular time period?*
 - *What is the value of integrating the EF into this time period?*
 - *What are the enduring concepts you want students to get out of using the EF in this time period?*
3. Record your top 2-3 ideas or insights on a piece of flipchart paper w/ the relevant years across the top, as shown below:
